"Dr. Ackerman and her team are the best! They are so professional and really listen to your needs/concerns and answer ALL questions! I absolutely love the vibe of the office! I did coolsculpting here with Jen and it was much more relaxing then I imagined it would be! I was given pillows and blankets and watched TV as my procedure went on! It was amazing and relaxing! Can't wait to come back and see Dr. Ackerman for some Botox!"

"Wow! What a hidden gem. It's beautiful inside! I had such a great experience. Everyone that works there is soo nice and not pushy at all. Their pricing is so much better too than other places I've been. I will never go anywhere else"
