COOLSCULPTING®

Areas of body fat cannot always be removed with diet and exercise or downtime. Elite Aesthetics is proud to offer a non-invasive, non-surgical solution to these troublesome areas by fat freezing.

CHOOSE ELITE AESTHETICS FOR COOLSCULPTING®

Within our first year of business in 2016, we performed over 1,000 CoolSculpting® treatments and have been recognized as one of the top CoolSculpting® providers in Massachusetts. Patients also enjoy a truly *conciierge*-style approach to care and their overall experience. We provide free parking, complimentary consultations, tailored treatment plans, a luxurious treatment suite and warm environment, along with access to our in-house Medical Director. In addition, we will match any written quote from another physician-run facility as best we can to ensure you get the best results for the best price. For those who receive three or more hours of treatment, we offer a complimentary lunch. While receiving treatment, we will bring menus from a variety of local restaurants, order your desired meal and have it delivered to you to enjoy during your CoolSculpting® treatment.
