NEW TREATMENT OFFERINGS

3-Way Collagen Boost Package of 3

Regular \$1,875 \$1,500

Treatment includes: microneedling, Environ Cool Peel and Laser Genesis. This 90 minute treatment Improves texture, diminishes fine lines, wrinkles and boosts collagen. Treatments are scheduled 4-6 week apart.

Turn Back Time Treatment

Regular \$1,725 \$1,380

This single 90 minute treatment starts with IPL treatment to reduce pigment, followed by RF microneedling to stimulate collagen and improve laxity. While the channels are still open we apply topical Sculptra to encourage regeneration.

Cellulite Solution

Regular \$4,300 \$3,760

Pick an area and blast the cellulite while also building muscle. This 4 week program consists of a weekly Emsculpt Neo Treatment immediately followed by our Cellutone treatment. Check out our before/after on Instagram.

IPL with 3 Prodigy Peels

Regular \$1,075 \$860

Looking to reverse your sun damage? We have your answer! Start with an IPL then complete a series of three prodigy peels. Each treatment is 30 minutes. It brightens uneven skin, including age spots, fine lines and wrinkles while enhancing the cellular renewal process.
