

Results Promise

At Haus of Aesthetics, we truly believe your results showcase our success. We understand that CoolSculpting is an investment and want you to feel confident moving forward. Our specialists use the most advanced technology making us leaders in the body contouring industry. We feel confident that you will be thrilled with your results, which is why we are so excited to offer our Results Promise!

5 HAUS RULES TO ENSURE YOUR RESULTS PROMISE

- 1. Signed Treatment Plan outlining your timing, number of applications, and treatment interval. Following this protocol will provide you with the best results for your specific needs.**
- 2. Final result assessment will take place 4 months after your last treatment.**
- 3. Must be within 3 lbs. of your original weight. Weight fluctuations change our body composition altering the benefits of CoolSculpting.**
- 4. Pictures are required at every visit unless otherwise specified by your specialist. Pictures help us to assess your progress and document your changes that occur with CoolSculpting.**
- 5. Communication must be consistent throughout your journey. Planning around life events or changes is essential to your success.**

Our promise is simple. At your four month follow up appointment you must be within 3 lbs. of your original weight, complete your full treatment plan, and together we'll determine that there has been a change to your body.

If a change is not visible, Haus of Aesthetics will retreat you again for free! We'll wait another four months to take final pictures and assess the results together. If your Specialist determines there's still no visible change, then Haus of Aesthetics will provide a spa credit to be used toward other services.

WE'RE SO EXCITED TO GO ON THIS JOURNEY WITH YOU AND TO SEE YOUR RESULTS!
