

# ELEVATE EMSCULPT® BUSINESS

## TARGETED MARKETING SERVICES

We help Emsculpt providers grow their business with targeted digital marketing, website development, and conversion tools & training. Custom marketing plans starting at \$1500.

### DIGITAL MARKETING

Optimize your ad spend with geo + interest targeted ads. Customized ads on Google and social media attract potential customers in your area who are actively interested in Emsculpt.

### WEBSITE OPTIMIZATION

Optimize your website with unique content, user friendly layout, lead capture integration, and other proven tools and strategies that encourage visitors to contact your business.

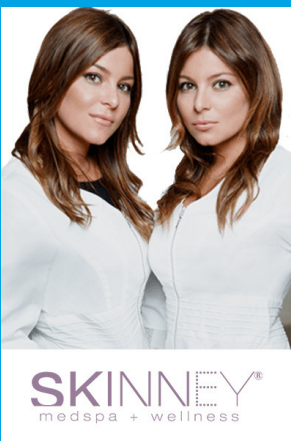

### CUSTOMER ENGAGEMENT

Staff training and materials to improve phone sales and lead conversion, plus customized emails, images, and other campaigns to engage with potential & existing customers.

## EMSCULPT SUCCESS STORY

Medstar has taken our Emsculpt business to the next level. We are happy to say with Medstar and Emsculpt, we've seen an additional six-figure boost to our monthly revenue stream.
