No Pain, No Surgery and No Downtime

How would it feel to be able to finally lose all those inches of stubborn fat on your body?

With the "Melt That Fat Away" program, you can lose 3-9 inches in 3 weeks. Sometimes diet and exercise just aren't enough to achieve the lean, toned body you desire.

If you're tired of struggling with exercise-resistant bra bulges, saddlebags, or post-pregnancy "baby fat," our high tech Body Sculpting Program for inch loss may be your solution!

The "Melt That Fat Away" program incorporates advanced LED technology for non-invasive body contouring. Using the power of Light Therapy, our system is the natural and healthy way to lose inches around your waist, hips, thighs and even your arms.

Empty and collapsed fat cells

How You Can Help The Process

➤ Drink 8 to 10 glasses of spring water per day while on program.

➤ Heavy meals should be avoided before and after each session.

➤ Limit caffeine on the day of treatment to ensure adequate hydration

➤ 10 minutes of exercise is recommended after each session

➤ Avoid alcohol during the program

➤ Try to reduce your overall caloric intake while limiting starchy carbohydrates and simple sugars.

How many sessions are required?

➤ Under 5 lbs weight loss - 6 sessions

➤ 5 lbs to 20 lbs weight loss - 10 sessions

➤ 20lbs or more - 20 sessions

➤ Sessions are done 2 to 3 times per week until treatment course is completed

➤ Each session is 20-30 minutes

★★★★★
I have enjoyed my experience with Waters edge medical. they are taking a personal interest in me and helping me get through my neuropathy issue. I still have a ways to go but I'm sure and have confidence they will continue to help me.

Randy N.
★★★★★
Great help for my neuropathy. Very compassionate and caring staff.

M A
★★★★★
I love this office. The staff are so warm and empathetic. I received help with my muscle spasms and inflammation. Would return to the office for treatment if needed. I highly recommend this office and treatments.
